

Reporting Advisory Group Meeting

March 12th, 2008

9:00 am - 3:00 pm

Cornhusker Marriott Hotel, Yankee Hill 2 Room

Topics for Discussion:

Welcome/Introduction to Meeting/Overview of Agenda

Updates - LB #653, ACT, Data Policy, Work Group Criteria

- Update provided on the activities to date on the implementation of LB 653
- Bob Beecham reviewed the State Board of Education data policy
- This committee's criteria for the work groups was reviewed
- Members worked in the following groups: SPED Transition, Curriculum Integration, Training Needs, Data Quality, Communications, Ongoing NSSRS Guidance
 - Priority activities were defined
 - Next steps identified
 - Additional members identified

Bob Beecham will provide an update of the SLDS Grant, eTranscript Initiative, and the Decision Support System and the Nebraska Education Data Conference

Defining Schools and Programs

- The issues surrounding reporting of student and staff data for entities that may be called a school or a program were discussed
 - These entities most often include alternative high schools and, in the future, may include new "schools" in the Learning Communities

Assigning Unique ID's to Teachers and Adult Learners and Additional Salary Data Elements

- Bob Beecham presented information on assigning ID numbers to teachers and a request to collect a breakout of benefits for teacher salaries
